CONTEXT

Council recognises the important role that public art plays in a vibrant and attractive community. This policy seeks to support and contribute to the development of a strong arts scene in the Borough of Queenscliffe and to the creation of interesting and attractive public places.

POLICY

In order to support and contribute to the development of a strong arts scene in the Borough of Queenscliffe and to the creation of interesting and attractive public places, proposals for the development of public art, including temporary or permanent art, will be considered against the following principles, which:

- Acknowledges and is receptive to the unique environmental, cultural and historical characteristics within the Borough of Queenscliffe.
- Reflects the identity of the community and is accessible to all.
- Is consistent with planning and heritage policies and codes.
- Builds and/or strengthens partnerships within the community and/or acknowledges a relationship to the wider community.
- Contributes towards the enrichment of public places and public life.
- Enhances the visitor experience and has a positive affect on the local economy.

CONTINUOUS IMPROVEMENT

This policy will be reviewed on a continuous basis, but as a minimum every three years from the date of adoption.
